

THE BLESSING BLITZ

count your blessings

Place a Blessing Blitz card and a pen at each place setting on your Thanksgiving table.. Set a timer for 2 minutes and, when the host says 'Go!', each person lists 10 things they're thankful to God for from the past year — big or small (health, laughter, answered prayer, sunsets). When time's up, pens down!

Now comes the sharing — this is where the game becomes really meaningful.

Option A: The Lightning Round

- Go around the table.

- Each person shares 3-5 items from their list.

Option B: Guess Who's Grateful

- Everyone puts their card into the basket.

- The host draws one card at a time and reads a few items aloud.

- The group tries to guess whose list it is!

- After guessing, the person reveals themselves and can share a short story about one of the items.

Option C: The Thankful Topper

- After everyone shares, everyone votes on one 'Most Unique' or 'Most Heartwarming' gratitude item (not person — item).
